*The National Center for the  
Business of Family Child Care*

### Parent Evaluation Form

What do you like best about how our program provided care for your child?

What do you wish we would do differently about caring for your child?

What else can you suggest that would help us to do a better job?

What actions might you take that would help improve the care of your child when he/she is with our program?

Would you recommend our program to other parents? Why or why not?
